

1st Annual GPS 5k
2:30 p.m.
February 5, 2012
Boundary Waters Park
5000 Hwy 92/166
Douglasville, GA 30135

RACE DETAILS: Imagine running a 5k with no race course, no finish line, no mile markers and no manned water stations and then you have the GPS 5k. A combination between an adventure race and a 5k, you will pick your own course throughout the 500 acres of Boundary Waters Park. Race surfaces are paved roads, dirt roads, trails and grassy fields. Runners are required to have a GPS or other type device that measures distance and time. Two runners may share one device but must stay together throughout the entire run. Each runner will keep his/her own time and distance and present them upon finishing.

AWARDS: Overall Male/Female, Masters Male/Female, and Top (3) Male/Female in age groups 10 and under through 75 and over (5 year increments).
